Student Code of Conduct

Agreement Form

Welcome to Ipswich North State School. Every Queensland state school is required to have a '**Student Code of Conduct'**. This is the school's behaviour policy, with information about school rules, consequences and processes for addressing behaviour at our school.

At Ipswich North State School we believe that behaviour is a skill that requires explicit instruction, where expected behaviours are taught every week to ensure the safety and wellbeing of all students and staff at our school. This assists with ensuring that learning is our primary focus.

We look forward to working with you to support your child/children at our school. A copy of the '**Student Code of Conduct'** is available on request at the school office or on our website www.ipswichnorthss.eq.edu.au. If you require assistance or have any queries in relation to the '**Student Code of Conduct'**, please contact the school office on 3813 5888.

We would appreciate you discussing with your child/children the behaviour expectations outlined in the '**Student Code of Conduct'**.

I understand that all students, staff and community members have the right to feel safe and I will support the school in decisions made around my child/children's behaviour as per the '**Student Code of Conduct'.**
