Enrolment Policy

Students within catchment:

Any student, whose principal place of residence is within the school's catchment area/s, is (subject to the *Education (General Provisions) Act 2006*) entitled to enrol at the school. The school Principal will reserve places for students who move into the catchment area throughout the school year.

Parents or legal guardians who wish to enrol their child at the school will need to demonstrate that the student's principal place of residence is within the catchment area. Current proof of residency at the address indicated can be provided by way of one of each of the following:

- **One primary source** – a current lease agreement, or rates notice, or unconditional sale agreement, and
- **One secondary source** – a utility bill (e.g. electricity, gas) showing this same address and parent's/legal guardian's name

If the Principal is not satisfied that the documentation provided by an applicant demonstrates adequately that the address stated is the student's principal place of residence, then the Principal may request further sources of proof of residence, such as an additional utility bill (e.g. water) showing the same address.

The Principal may also request a properly sworn Statutory Declaration from the enrolling parent or legal guardian attesting that the student's principal place of residence is the place nominated in the enrolment application.

Applicants should note that a false statement / assertion about the student's principal place of residence may amount to an offence and may be reported to police. The school Principal may repeal a decision to enrol a student in such circumstances.

Other students who are entitled to enrol as if in-catchment:

The following groups of students will be entitled to enrol, even though they may reside outside the school's catchment area:

- Children and young people who are subject to child protection orders that grant guardianship or custody to the Chief Executive Officer of the Department of Communities, Child Safety and Disability Services (Child Safety Services)
- Siblings of current students at the school (excluding siblings of Program of Excellence students). Where a school has both a primary and secondary campus, siblings are only entitled to enrol in the same campus as the currently enrolled student
- Students whose parent or legal guardian is employed by the school
- Students who have been excluded from another school, dependent upon the conditions related to the exclusion, subject to agreement of the Regional Director.
