5 of our classrooms are air conditioned great care is taken with the operation of these units. Classrooms have management plans in place for the operation of air conditioners. We have 3 water tanks. The water collected from these will be used in the flushing of toilets. Classes are reminded on a regular basis to save energy by turning off lights when not required.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

At Ipswich North SS rolls are marked twice daily. If a student comes to school late the teacher notates the time the student arrives. If a parent or guardian wishes to take a student from school early, they must come to the front office to sign their child out. If a student

is absent parents are asked to contact the school either by a note, briefly explaining the reason for any absence or a telephone call on the dedicated school absence line on 41 604360. Easy to complete absentee notes are sent home each term in the newsletter.

If a student has an unexplained absence of 3 consecutive days then parents/guardians are contacted for a reason. The schools endeavours to work with parents to ensure that 'Every Day Counts' at Kingaroy SS. An Admin officer checks the absences on a daily basis and telephone calls are made to parents about absences. Regular information is put in the newsletter on the website and on the facebook page about the importance of attending school.
