Respectful relationships programs

Ipswich North State School developed this plan in collaboration with our school community. Broad consultation with parents, staff and students was undertaken through survey distribution and community meetings beginning in June 2012. During monthly PBL (Positive Behaviour Learning) meetings where school data relating to attendance, unexplained absences, suspensions and exclusions, behaviour incidents including bullying and cyber bullying were reviewed. Other inappropriate online behaviour including inappropriate use of mobile phones or other electronic devices is also informed the development process.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

| SCHOOL DISCIPLINARY ABSENCES | | | |
|----------------------------------|------|------|------|
| Type | 2015 | 2016 | 2017 |

Environmental Footprint

Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

5 of our classrooms are air conditioned great care is taken with the operation of these units. Classrooms have management plans in place for the operation of air conditioners. We have 3 water tanks. The water collected from these will be used in the flushing of toilets. Classes are reminded on a regular basis to save energy by turning off lights when not required.

| ENVIRONMENTAL FOOTPRINT INDICATORS | | |
|------------------------------------|-----------------|----------|
| Years | Electricity kWh | Water kL |
| 2014-2015 | 1,636 | 2,164 |
| 2015-2016 | 79,032 | 1,366 |
| 2016-2017 | 87,359 | 1,528 |

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

At Ipswich North SS rolls are marked twice daily. If a student comes to school late the teacher notates the time the student arrives. If a parent or guardian wishes to take a student from school early, they must come to the front office to sign their child out. If a student is absent parents are asked to contact the school either by a note, briefly explaining the reason for any absence or a telephone call on the dedicated school absence line on 41604360.

If a student has an unexplained absence of 3 consecutive days then parents/guardians are contacted for a reason. The schools endeavours to work with parents to ensure that 'Every Day Counts' at Kingaroy SS. An Admin officer checks the absences on a daily basis and telephone calls are made to parents about absences. Regular information is put in the newsletter on the website and on the Facebook page about the importance of attending school.
